

Helping Equip Today's Youth Award Application (HETY AWARD)

This award, by design, is meant to directly benefit those organizations and clubs throughout Indian River County that focus on our youth ranging from toddlers to teens. Each month various organizations that enrich, educate, and entertain Indian River County Youth are encouraged to fill out an application for Girard Equipment to sponsor their organization's event or cause. At the end of each quarter, the Girard Equipment Awards Committee will vote and award a different group with a \$1,000 donation. Winners will also receive a voucher for an outing at the Leisure Square facility, courtesy of Leisure Square. A mini awards ceremony will be facilitated to present each organization with their honor at the Girard Equipment corporate office.

Completed applications can be faxed to (866) 758-9082.
